Kelda Group plc - Stock Exchange announcement

Kelda Group plc announces that Dalriada Water Limited, a joint venture between Kelda Water Services Limited, Earth Tech Engineering Limited and Northstone (NI) Limited, has today signed a 25 year contract with the Northern Ireland Water Service to undertake Northern Ireland's first public-private partnership drinking water project. Kelda has a 45% share of the joint venture.

The project is to rebuild and upgrade four existing water treatment facilities and the associated infrastructure in Northern Ireland. When complete in 2008, the four upgraded plants will provide almost half of Northern Ireland's drinking water, complying with the appropriate European Union standards.

The design, build, finance and operate (DBFO) contract is expected to have revenue of around £500 million over the 25 year term, with the initial capital investment programme of £110m expected to commence immediately. Once the construction phase has been completed in 2008, Dalriada will operate and maintain the plants for a further 23 years. The project is being funded on a non-recourse basis by a consortium of banks.
